ELEVATE EVERY ADVENTURE

Arcadia: Trusted by travellers.

A long-standing staple in the caravan and outdoor industry, Arcadia is engineered for performance and elegance. Its durable acrylic lacquer topcoat ensures easy maintenance and long-lasting appeal, while the sophisticated graduated stripe design adds a refined touch to any caravan or RV setup.

Perfect for annexe roofing/walls, caravan awnings, and RV roll-out awnings, Arcadia offers fire retardancy, UV stabilisation, and anti-fungal protection with full waterproof performance. Backed by a 10-year UV warranty, it's the fabric outdoor adventurers have trusted for decades. Strong, reliable, and always ready for the road ahead.

10-YEAR UV WARRANTY

Arcadia is supported by an industry-leading 10-year UV warranty for peace of mind.

UV STABILISED

Arcadia fabrics are UV stabilised which prevents them from fading under intense UV rays. It also increases the textiles' longevity and ensures easy cleaning.

FIRE RETARDANT

Arcadia is fire retardant which means the fabrics are designed for commercial environments. Test results are available by request.

WATERPROOF

Arcadia is coated with a waterproof finish, making it perfect for long-term outdoor use.

FUNGICIDE TREATED

Arcadia fabrics are finished with anti-fungal treatment that kills parasitic fungi or their spores. This treatment provides ease of maintenance and improves the textiles' longevity.

BLOCKOUT

Arcadia is a blackout fabric that provides exceptional protection.

COLOUR RANGE

BERRIMA (MAROON/GREY)

NEWCASTLE (CHARCOAL/GREY)

BLACKWATER (CHARCOAL)
